Training courses start [at 10:00am](#) prompt on both days and therefore look to be on site from [9:30am](#). You will need to bring a full change of clothes and something (at least) windproof. You will need a packed lunch for the Saturday and the club galley will be open on the Sunday.

We supply all safety equipment, but do not guarantee that we will have wetsuits – many people already have these since they are now so reasonable to purchase.
